

THE AMERICAN NATIONAL RED CROSS
WASHINGTON, D.C.
OFFICE OF THE PRESIDENT

Feb 8, 1960

Dear Allen -

From today's batch
of 15 letters from our
great society in London
I have selected three for
your study.

I am sure that
Senator Smith will
be a bit confused when
she finds she is being
called "Cooper".

As for the letter to Prof
Battistini I gather that
the Professor asked some
embarrassing questions. Please
beve him ~~deft~~ up.

Then note the letter to Professor
Hyman - an entirely new style.
Hynelson Johnson bad letter
watch out!!

Hello, Professor Battistini:

I have the honour to acknowledge receipt of your letter dated 18th January.

Briefly, these are the ~~xxxx~~ aims of the organization.

- (1) The guarding of the rights of minority and other repressed groups.
- (2) The furtherance of the principle of self-preservation.
- (3) The promotion of a people to people programme for the betterment of international understanding.

Our plans for Mr. Gruenther are confidential, but to give a gist of the framework--it is to get the various minority groups and the Afro-Asian Block to support his candidacy.

We pray for your support and hope you will let Mr. Gruenther know your views.

God bless you.

Yours faithfully

Hello, Senator Cooper:

Regarding the candidacy of Mr. Alfred Gruenther, I am to state that it would be supremely important that Mr. Gruenther's case be brought before the Republican Selection Committee and that an atmosphere be developed as you popularise his candidature.

To be true to oneself being a fundamental prerequisite, we think that on grounds of average world leaders' age, speech and appearance, Mr. Gruenther stands a good chance of being successfully elected. We therefore pray for your support.

Yours truly

Dear Professor Hyman:

This is a reminder about the candidature of Mr. Alfred Gruenther in the forthcoming Presidential elections.

I am to state that it will be appreciated if an atmosphere could be developed as may popularise his candidacy and that you use your good offices in getting reliable persons in the States of Alaska, Hawaii, Montana, Rhode Island and in you State, to communicate with Mr. Gruenther at the American Red Cross ~~in~~ Washington 25, D.C., about primary nomination and election arrangements.

This above all to be true to Mr. Gruenther, his age is on the average of world leaders, his appearance, speech and the need for stability and continuity in East-West relations, plus other natural forces, make him the right horse to back.

We pray for your support.

Yours faithfully
